The parties hereby stipulate and request that the Court issue an order granting Mr. Bond release to the custody of Probation and Parole on January 9, 2014.

On January 7, 2014, Mr. Bond's supervised release was revoked and he was sentenced to 3 months incarceration. The parties stipulate and agree that Mr. Bond has been in custody for more than 3 months. The Probation Office concurs.

The parties are concerned that Mr. Bond's spot in the Wellspace rehabilitation facility will disappear if we wait for the Bureau of Prisons to calculate his time served. The spot in rehab is being held open until Friday January 10, 2014. It is uncertain if a spot is available after that date.

The parties stipulate and agree: that Mr. Bond be permanently released from the Sacramento County Jail to the custody of the United States Marshals on the morning of January 9, 2014, to be transported by the Marshals to their Office on the 5th Floor of the United States

1 Courthouse; that Mr. Bond then be released to the custody of the Probation Office for transport
2 to the Wellspace rehabilitation facility.

ORDER

The Court, having received, read, and considered the stipulation of the parties, and good cause appearing, adopts the stipulation of the parties in its entirety as its order.

Mr. William Bond is to be permanently released from the Sacramento County Jail to the custody of the United States Marshals on the morning of January 9, 2014, to be transported by the Marshals to their Office on the 5th Floor of the United States Courthouse; that Mr. Bond then be released to the custody of the Probation Office for transport to the Wellspace rehabilitation facility.

Further, it is ordered that Mr. Bond has satisfied the 3 month revocation of his supervised release. There is no need for the Bureau of Prisons to take custody of him.
